## **Comments and Instructions:**

Survivor benefits are important, and the *Family Law Act* provides that a waiver is not effective unless it is in this prescribed form. This form is not prescribed because it is expected that survivor benefits will usually be waived but rather because, in most cases, waiving survivor benefits would not be prudent. As a result, a waiver is only enforceable if this prescribed form is used.

When dealing with valuable assets, obtaining legal advice is usually considered prudent. This form is not a substitute for legal advice.
